Blossom

Optical USB mouse with flower design

Stylish colors and a discreet flower pattern - this is how the mouse from DICOTA, "Blossom" presents itself to the business world. These small and handy "jewels" sweeten up grey office days. The optical LED sensor offers a resolution of 800 dpi. Three buttons including the scroll function make for easy handling. The rubber coating makes this product look and feel great. Due to Plug & Play, complicated installation is not necessary and Blossom is ready to use in an instant. The technical details and the special design make Blossom the perfect companion for travelers ...

Pronounced design, optical sensor 800dpi, 3 buttons incl. scroll functionality, Plug & Play.
